

Champagne Boys

BAND STORY

"Names are dropped and influences listed in an attempt to give the reader a glimpse into the artist's background and the style of the music you will hear. 😊"

LATEST NEWS

Champagne Boys....Toronto

Well - dressed gentlemen serve up unique stories of love, loss, desire, hope and just a bit of drama, driven by highly developed rhythms in a new-acoustic fashion with a lyrical twist.

Influenced by the wide palette of styles by such contemporaries as Bob Dylan, Sting, Leonard Cohen, Tom Waites, Lenny Bruce, David Lynch and Federico Fellini, Champagne Boys are veteran, seasoned songwriters and musicians incorporating cinematic textures, non -formulaic arrangements and subtle presentation on CD and in concert settings.
