

Saving_Yesterday

BAND STORY

"

Our bio is like this....we have always loved music,so we wanted a band.Dk,chad,and david are all in a christian band called consumed(which is an awesome band)and that is how we got started.We then learned what it was like to be in a band so we started our own "Saving Yesterday"....we r all extremely good musicians.....so when we get together and make music it makes beautiful noise!!!! hahaha
